An elegant duplex apartment with 3 good size bedrooms for sale in the city centre of Vigo, Pontevedra

A very well located duplex with a good layout, plenty of light, parking in the same building, 3 good size bedrooms and lots of natural light located in the city centre.

A fantastic opportunity to acquire a large 3-bedroom duplex in the city centre of Vigo, Spain. The property is located in one of the most emblematic streets of Vigo and situated steps from the market square and the famous street of Principe.

In the mid-1880s, the Tamberlick building located in Eduardo Iglesias Vigo was one of the most important theatres in Vigo. As the years went by, the building was demolished and converted into a residential building, maintaining the lovely square and finishing the apartments into a well-built residential complex.

Inside, we find a lovely duplex apartment on a high floor, measuring 156 sqm. The apartment offers lots of natural light, lovely views, and good quality finishes.

We find a small entrance hall on the main floor that gives access to a fabulous large living and dining room with large windows to the main façade, a complete bathroom, and a fully equipped independent kitchen with a laundry area.

On the floor above, we have the sleeping area, where we find two very spacious bedrooms, a complete bathroom, and an en suite bedroom with a dressing area.

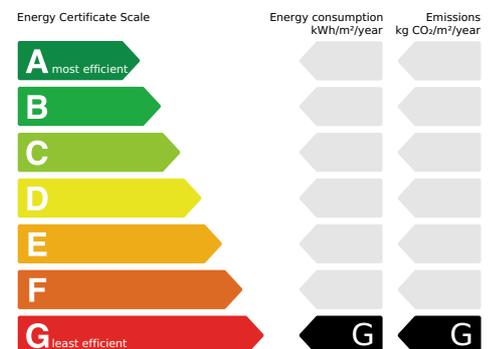

The property features a parking space in the same building with direct access, and the option to purchase another parking space is possible. There is a storage room included in the purchase price.

This would be an ideal apartment for a family or couple looking to relocate to a larger apartment in the city centre of Vigo and conveniently located to Mercado Progreso, which makes the location ideal for all the services and needs.
