OVERVIEW

A three-storey villa with impressive views, a lovely mature garden, four bedrooms, a nice layout, for sale just a short drive from Vigo city centre.

A few minutes from the city centre of Vigo, we find this exceptional, well-built villa with a charming mature garden area and stunning views of the Estuary of Vigo.

The property, situated on a hilltop overlooking the northwest, offers a stunning location surrounded by green spaces and is in a quiet residential area.

The villa, built and designed by the current owner in 2001, provides a strategic location and a great style and layout.

Once we enter the property, we are welcomed by a lush garden with fruit trees, oaks, maples and a nice, well-kept lawn area. The exterior offers a stone table, a parking area and a small pond.

Once we enter the villa, we have the reception hall that distributes the whole ground floor.

On the right side, we have one double size bedroom, a study, a bathroom and a guest toilet. Towards the left side, we find a home office, the eat-in kitchen, the dining area and the living room with a fireplace that gives access to a covered terrace.

On the first floor, we find the sleeping area, where there is the main en-suite bedroom with a balcony overlooking the estuary, two bedrooms and a complete bathroom.

The ground floor offers a parking area for two cars and a small room for storage.

In recent years, certain utility installations of the property have been updated. Both the building and installations are of a high standard.

The property would be ideal for a growing family living near a big city, surrounded by nature and good views. Good schools are nearby, and quick access links to other areas of Vigo and Pontevedra.
