OVERVIEW

A beautiful traditional Galician-style country house with four bedrooms, large plot and privacy.

In Nigran, we find this beautiful, charming villa for sale, the first stones of which date back to 1880. Located on a large plot of 6.750 m², it is a unique property, located in a quiet environment and close to all services needed.

The property is surrounded by farmland and completely enclosed by a perimeter stone wall.

We access the property through a beautiful and sizeable paved entrance into a landscaped courtyard, with a large parking area and a garage for up to 4 cars.

A nice interior patio separates the gazebo from the main house and is a beautiful space, ideal for relaxing, breakfast and outdoor summer dinners, surrounded by beautiful plants and trees.

The main entrance to this house is through a beautifully landscaped courtyard and a covered porch, once inside we access the entrance hall that distributes the whole ground floor area. Towards the left, we find the eat-in kitchen area and a complete bathroom. Towards the right, we find a spacious and bright living room with a wood-burning fireplace and access to another small lounge area with access to the back garden area of the house that leads directly to the pool area and large garden.

On the first floor, there are three bedrooms, two with access to the large front balcony, with nice views and a bathroom. On the second floor, we find the main bedroom suite and a study area.

Outside, we find a garden area with a large swimming pool, and a plot measuring 6,750 m². The plot offers a small children's playhouse, an annex building previously used for stables and an animal shelter. Underneath the building, we find a storage area and the bodega. The plot offers areas with finished stone benches and tables to enjoy with family and friends.

The property would be ideal for a large family or an investor looking for a large plot and a historic-type farmhouse to renovate and update for today's needs. The property is located in a precise location, near nice beaches, the city of Vigo and close to the town centre.
