OVERVIEW

Residential space measuring a total of 170 m² in Vigo city centre on Plaza Compostela, with 2 good size bedrooms, high ceilings, good natural light and located in the most sought-after area of the city centre.

In the city centre of Vigo, Pontevedra, in the most exclusive area, we find this extraordinary apartment measuring 170 m² for sale, with great potential.

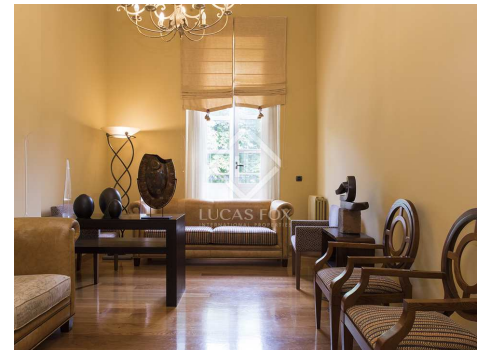

It was situated in the city centre in Plaza Compostela, where we find the Garden Compostela. The building, a unique building with impeccable classical architecture, has been refurbished to a high standard. The refurbishment has respected the essence of the architecture of the building, preserving, for example, its high ceilings or its balconies facing the Plaza.

The apartment, with spacious rooms, has a living-dining room with balconies and a fully-equipped kitchen, which includes a space for a laundry room. In the night area, there are two ensuite bedrooms. The property also has two parking spaces included in the sale.

The apartment features high ceilings, a good layout, and good condition and offers good natural light throughout. It also benefits from two parking spaces in the same building, which gives direct access to the parking area from the same level.

The property can interest a growing family or couples looking to live in the city centre, where we find the most important health clinics, restaurants, shopping boutiques, and bus stops to international schools.
