### OVERVIEW

**New build 3-bedroom, 2-bathroom apartment located in an energy-efficient building with contemporary finishes, lots of natural light and superb views of the city and the estuary.**

This magnificent property is part of the Ecuador-Panama Residences in Vigo, a new development located on one of the most important streets in the Vigo city centre. It is a 110 m<sup>2</sup> apartment situated on the third floor with three bedrooms and two bathrooms. We access the property and into a hall, to its right we find the day area with a fully equipped kitchen opening into the living and dining room area.

To the left of the hall is the sleeping area, with two ample bedrooms in the front and an additional bedroom that can be used as an office in the back. The unit has two bathrooms. All the rooms have ample windows and unbeatable views of the city, the estuary and the surrounding landscape. The materials used throughout are of the highest quality.

This would make an ideal home for a growing family or a couple looking for more space in the city centre. Because of high demand, this development could be of the interest of investors looking to acquire stand-out units to rent out for tourism.

For added convenience, there are private storage rooms available for purchase in the basement of the building.
