OVERVIEW

A 3-bedroom villa in good condition with a large plot planted with a variety of fruit trees, a swimming pool and tennis court, for sale in a beautiful area close to the Portuguese border.

This house, built in 1998 with the best materials, covers 300 m² distributed over two levels and sits on a large plot surrounded by nature.

Located in a quiet area of Salvaterra de Miño in the Rias Baixas, it has a swimming pool and a tennis court, the gardens are planted with an ample variety of fruit trees producing pears, apples, figs and hazelnuts.

We access the premises and arrive at an ample parking area with the main entrance on the lower level. A set of staircases brings us to a hallway connecting to the day area on the right and the sleeping area to the left at the end of a corridor.

The day area consists of a large open space with high ceilings featuring a well-equipped kitchen, a dining room area and a living room with a fireplace. From the living room an ample balcony can be accessed offering beautiful views of the countryside.

Towards the opposite end is the night area, which features an ample main bedroom, and two additional bedrooms with a shared bathroom. All rooms are spacious, have wooden built-in wardrobes and receive abundant sunlight.

In the basement we find a garage for three cars, a multipurpose room with a gym, and the Winter kitchen with its independent access.

The property has a very large plot carefully landscaped measuring 2,600 m² which features an orchard that has been planted with varied fruit trees. The front part of the plot has a very well-defined perimeter and includes a swimming pool and a professional tennis court.
