€830,000 House / Villa - For sale

An exclusive villa with lovely views of the Vigo Estuary, surrounded by nature for sale in O Hio- Cangas, Pontevedra

Large villa in O Hio with a stately entrance, spacious porches, bright interior spaces, and panoramic views of the Vigo estuary and the Cíes Islands.

In one of the most privileged areas of O Hío, where greenery meets the sea, we find this house that combines spaciousness, light, and views that turn every day into an experience. From the gravel driveway, which lends a stately air, the property exudes character and exclusivity.

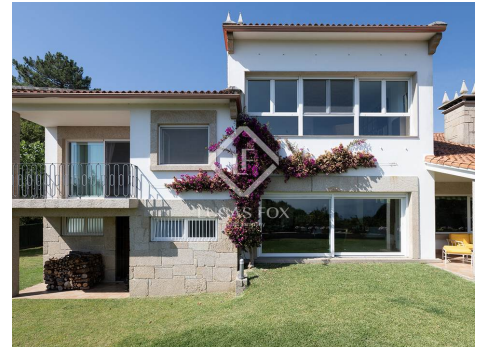

Inside, natural light takes centre stage. The spacious and functional kitchen features a central island and direct access to the side porch, perfect for enjoying breakfast al fresco or lunch with the sea in the background. The living room, with high ceilings and windows that occupy almost the entire wall, connects with the main porch, offering a seamless transition between indoors and outdoors.

The rooms have been designed to take full advantage of the surroundings: from every room, you can contemplate the blue of the estuary, the silhouettes of the Cíes Islands, or the tranquillity of the nearby mountains and forests. The main suite, with an en-suite bathroom, offers a private and relaxing space.

Its location in O Hío allows you to enjoy a protected natural environment, with nearby beaches, hiking areas, and basic services just a few minutes away by car. Connections to other areas of Galicia are easy thanks to its proximity to main roads.

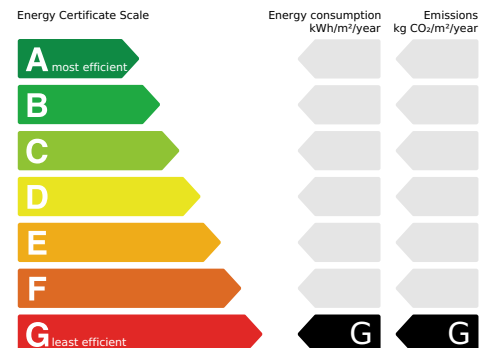

This property is more than just a home: it is a place to create memories, celebrate moments, and reconnect with nature without sacrificing modern comforts. Ideal for those who dream of a seafront home or an exclusive getaway in one of Galicia's most beautiful locations.
