Spectacular Galician Estate dating back to the 17th century, restored with exquisite taste, operating vineyard and 29 hectares of private property, a short drive from the Pontevedra Coast.

Historic 29-hectare estate with operating vineyards, winery, olive gardens, and private forest, tastefully restored, for sale in the inland province of Ourense, a short drive from the Pontevedra and Vigo coasts.

Lucas Fox presents this building with a 290.000 m² plot of land inland from the Vigo and Pontevedra coast, in the province of Ourense, Galicia.

The property was built in the 17th century and renovated with exquisite taste in 2011, including plumbing, electrical systems, roofing, and an operating vineyard & winery. The property offers a private forest and 4 hectares of vineyard for white and red varieties. An olive grove of 1.5 hectares and the rest meadows, woodland, vegetable garden and fruit trees.

This extensive building is located in a peaceful natural setting, with lush forests and carefully landscaped gardens. This historic and elegant residential complex features two homes, each with its own unique character. The spacious main house has been tastefully restored to provide a comfortable home. It features warm and sophisticated rooms for family-friendly enjoyment. The old stable has been transformed into a detached property, complete with all modern amenities while retaining its rustic style.

The third house is now the winery.

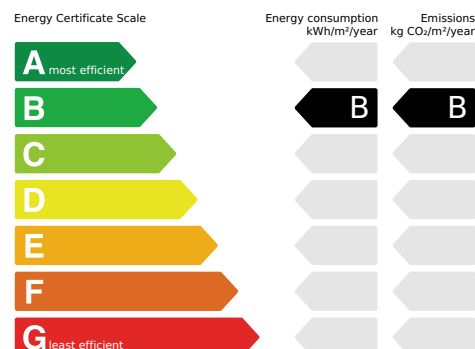

An ideal estate for families, couples, or investors seeking a dream property with an operating winery and endless potential in a private, natural setting just a short distance from Ourense and Vigo city centres.
