A stunning and spacious 4-bedroom apartment for sale in the centre of Santiago de Compostela, A Coruña

With 287 m² of space, this is an exciting opportunity to acquire a city centre property in the capital of Galicia.

Located in the heart of Santiago de Compostela, this spacious, well-appointed and beautifully-presented exterior-facing apartment offers generous living accommodation in one of the city's most sought-after areas, within walking distance of all shops, services, restaurants, and amenities.

On entry we are welcomed by a lobby and to the right the large main living and dining room is bright thanks to its multiple windows, creating an inviting and elegant space for relaxing or entertaining. A second separate living room to the end of the hall provides excellent versatility and could also be used as a home office.

To the other end of the hall, we find the sleeping areas. The property features four well-proportioned bedrooms, including a spacious main suite with an en-suite bathroom. The remaining three bedrooms are also all exterior-facing, benefiting from natural light throughout the day. In addition, there are two further fully fitted bathrooms, making the home ideal for families.

The fitted kitchen is located in the centre of the property, between the daytime and night-time areas. It boasts a high-quality furniture and fitted appliances that includes a coffee maker, oven, microwave and double-doored fridge-freezer. The kitchen includes a breakfast island, and there is an adjoining washing/ironing section.

The apartment has electric heating and features wooden flooring and impressive quality throughout.

A rare advantage in the city centre, the flat includes two private parking spaces in the same building, offering exceptional convenience and added value.

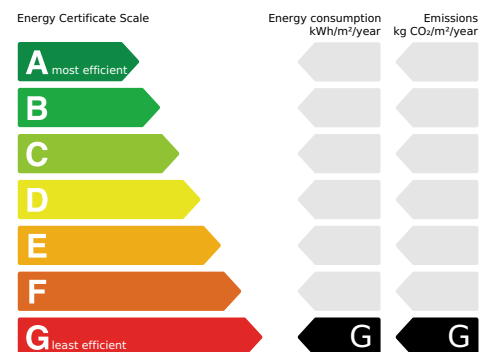

An outstanding opportunity to acquire a spacious, light-filled property in a prime central location in Santiago de Compostela, ideal as a home in the Galician capital or as an investment.
