€5,000 pcm. House / Villa - For rent - New listing

Excellent 5-bedroom stylish designer villa with a lovely exterior for rent in "Vao Beach" area-Canido, on the Vigo Coast-Pontevedra

A fantastic furnished and equipped designer villa, completely exterior, bright and quiet, with a swimming pool and garden, terraces and parking garage for three cars, and within walking distance to beautiful beaches.

This designer villa spans three floors, each measuring a total of 150 m² on a 445 m² plot.

The villa features a lovely garden area, complete with a swimming pool and an outdoor terrace equipped with a barbecue section. The design of this house stands out for its large windows. Everything revolves around light. Spacious rooms, understated lines, and fine materials. As we enter, we are welcomed by a nice reception hall that occupies the main floor. All with an open layout, finished with good materials and finishes. On the left, there is a small bedroom area currently used as a home office, with a dressing room adjacent to it. Down the hall, on the left, we find the central staircase, which leads to all floors. There is a guest toilet on the same level.

Once we arrive in the dining section, there is a large table that offers a view of the living area and the garden. Towards the right wing, we have the kitchen section, adapted with fine appliances, a nice centre island that overlooks the garden and terrace area. This area features large sliding doors and windows that allow for abundant sunlight in both winter and summer seasons, as well as access to the outdoor terrace and swimming pool area.

On the first floor, we find the sleeping area. Here, we are welcomed by three double-sized bedrooms, a common bathroom, and the main en-suite bedroom. The main bedroom has a walk-in wardrobe and a small terrace area overlooking the garden, swimming pool, and terrace. All bedrooms feature built-in wardrobes, expertly crafted with excellent carpentry, spacious areas, and a small study area for children.

On the lower floor, we find the parking area for three good-sized vehicles, a storage room, the laundry room, and the machine room. The home is equipped with energy efficiency and climate control features on all levels.

The property is being leased with furniture, appliances, decoration, and light fixtures. There would be additional costs for maintenance fees for the garden area and utilities. This would be an ideal property for anyone looking to explore the area with their family to make a lifestyle change for a certain period.
