Penthouse in a new building with 3 terraces and panoramic sea views in Canido

Exclusive penthouse in a new building, located opposite the prestigious Canido beach, with 3 terraces, stunning views of the sea and Toralla Island.

Facing the exclusive Canido beach, this sophisticated penthouse offers stunning views of Canido beach, Toralla Island, and the Cíes Islands. Located in a recently constructed building, it is designed to provide a contemporary seaside living experience.

The property stands out for its functional and elegant layout. From the entrance, a hallway leads to the living area, where a spacious open-plan kitchen is found, equipped with high-end Santos appliances and seamlessly integrated into the space.

The living-dining room, bathed in natural light, offers a welcoming and refined ambiance, with ample space for a table seating up to ten people, ideal for family gatherings and social events.

This area connects, through large windows, to two magnificent 20 m² terraces. The south-facing terrace offers open views of the sea and mountains, while the north-facing terrace boasts unobstructed views of Toralla Island.

In the sleeping area, the apartment features a guest bathroom and an exterior bedroom, which could be converted into an office, with excellent natural light throughout the day. Next to this is the master bedroom, which has an en-suite bathroom and a south-facing orientation, ensuring constant brightness.

The penthouse also includes a practical, separate laundry room, adding functionality and organization to the overall design.

As an added bonus, the property boasts access to an exclusive private rooftop terrace, reserved only for penthouses, offering spectacular sunsets and direct sea views.

The apartment is completed with two spacious parking spaces and a separate storage room.
