Exceptional villa with equestrian facilities for sale near La Bisbal del Penedès in the Baix Penedès region, Tarragona.

Upon entering the estate through a large gate surrounded by trees, a driveway leads us, a few metres away, to the covered parking area for two cars.

The house is spread over two floors. Upon entering on the ground floor, at the entrance there is a small hall that leads to a large living room with high ceilings, exposed wooden beams, two large windows for natural light and a fireplace for the colder months. From the living room, we access the dining area next to a large open kitchen with access to the garden.

On this same floor, there is a bedroom with a large dressing room and a complete bathroom with a shower and a hydromassage bathtub, perfect to relax while contemplating the beautiful mountain scenery from a large window.

We go up to the upper floor by a beautiful stone staircase with wrought iron railings and we arrive at a landing. For lovers of reading, this would be a nice corner to dedicate to the reading area. On the first floor, there is a double bedroom with views, a complete bathroom with shower and a double bedroom with a living room.

Outside there are panoramic views of the valley and the mountains. Here we find a barbecue area with a large table and wooden pergola. Right next to it, we can see the pool, with a bathroom with a shower next to it and a room to store equipment. The pool has a cover system that can be removed in summer.

The entire farmhouse is surrounded by gardens with all kinds of fruit trees. In addition, it offers a stables and dressage area for horses, as well as several annexes distributed around the land, as well as a water well. In total, the plot covers an area of 4,000 m².

This house has heating throughout, as well as a video surveillance system and a security alarm both inside and outside. The entire perimeter of the farmhouse is fenced for greater security.
