Nearly new penthouse of 117 m² with 50 m² of terrace for sale one street behind the seafront in Vilanova i la Geltrú

Exceptional corner apartment located in a practically new building a few metres from the excellent seafront of Vilanova i la Geltrú.

The penthouse is located on the fifth floor of a building which has a communal pool with spectacular views, a garden and a garage for bicycles.

It is a penthouse with exterior-facing rooms, so it enjoys abundant natural light, as well as clearly differentiated day and night areas and a very practical layout.

The day area offers a fully equipped 12 m² kitchen, provided with white cabinets with a design of straight lines that, together with the blue and white mosaic floor, gives it a modern and fresh look. The kitchen is equipped with an oven, built-in microwave and induction hob. It is also large enough to accommodate a table and chairs to enjoy meals with direct access to the terrace. The terrace measures 50 m² and allows you to place a large table, barbecue and sun loungers to enjoy the sun without leaving home, creating a pleasant atmosphere in which to enjoy with family or friends. The spacious and bright 22 m² living-dining room has a balcony and access to the spacious terrace.

The sleeping area consists of a single bedroom, a complete bathroom with a bathtub and two double bedrooms. One of the double bedrooms has a private bathroom with a shower and access to the terrace.

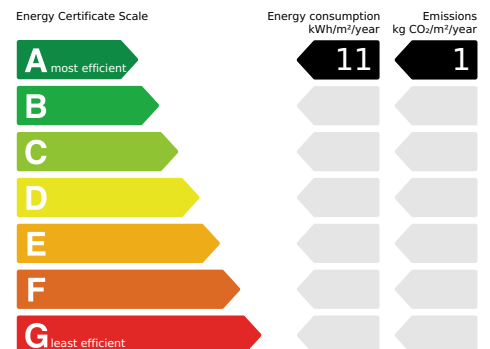

It should be noted that it is a practically brand new property, with high-end materials, taps, double-glazed aluminum joinery with thermal and acoustic insulation, electric shutters, air conditioning, heating, parquet, built-in wardrobes and lacquered doors.

The price includes a parking space and a storage room.
