OVERVIEW

Spectacular completely renovated century-old apartment for sale in one of the most emblematic areas of Vilanova.

This exclusive apartment is located in Geltrú, one of the most emblematic areas of the city, Vilanova. The apartment is located in a building with more than a hundred years of history, in front of the La Geltrú Castle, which gives its name to the city.

The apartment was completely renovated with high quality materials and a design that offers very functional spaces.

The property has 85 m². It is worth highlighting the day area that houses a large living-dining room with an integrated kitchen. This space has a special charm thanks to the vaulted ceiling with a Catalan vault, a typical Catalan construction technique, with brick and exposed wooden beams. The kitchen is fully equipped with high-end materials and appliances. A small balcony offers spectacular views of the Castle. Next to the kitchen, behind some wooden doors, there is a guest toilet.

A charming hallway with an exposed brick wall takes us to a hall that gives access to the night area with two bedrooms. The first bedroom, single, has a toilet area with a shower, sink and a loft for storage. The main one includes a private full bathroom with a shower, a large dressing room and an interior terrace that houses the laundry area with a washing machine and dryer.

The property has great qualities such as high-quality porcelain floor and microcement bathroom walls. All rooms have split air conditioning. The aluminum windows, in two colors and with thermal break, provide excellent thermal insulation.
