OVERVIEW

Large plot with the possibility of building one or two independent houses, with a garden and pool for sale in a good location in Vilanova i la Geltrú.

In one of the most exclusive residential areas of Vilanova i la Geltrú, we find this 1,413 m² plot. The possibility of building one or two independent houses is offered, since due to surface area and urban planning conditions it could be segregated. On the plot there is the possibility of building a garden with a swimming pool.

The house or houses can be distributed in various heights: lower ground floor, where the garage and multipurpose areas could be located; ground floor, with a living-dining room, kitchen and a toilet; and first floor with the bedroom and bathroom area.

The area is reserved for single-family homes and has schools and amenities nearby, making it an excellent opportunity for a family who wants to build their own house in a strategic location in Vilanova.
