OVERVIEW

Fabulous house with 4 winds, totally exterior, with 4 bedrooms and a large garden for sale in a quiet residential area of Calafell.

This 368m² corner property is built on a 737m² plot, in a quiet residential area of Calafell, close to all amenities.

We access the main floor through a bright entrance hall that welcomes us. To your right, we access the garage with capacity for two cars with two automatic and independent doors. On the other side, through the hallway we access different rooms. First of all, we find a guest toilet next to a large suite-type room, with a built-in wardrobe and a full bathroom with a shower.

Next, we enter the separate kitchen, fully equipped with enough space to place a table and chairs. Through the kitchen, we access the spacious and bright living-dining room of approximately 100m², divided into 3 levels, ideal for distinguishing the living areas from the dining area. It has large windows that provide light all day, as well as access to the garden and porch, ideal for enjoying lunch and dinner outdoors.

On the first floor, going up the stairs, we are greeted by a large hall with a balcony, a complete bathroom with a shower and three exterior double bedrooms, two of which share access to a large terrace of about 60m² with sea views. One of the bedrooms is a suite with a full bathroom with a hydromassage bathtub.

Finally, in the garden, we also find a jacuzzi and it also has a porch where you can place some armchairs as a chill-out, ideal for relaxing. It is a space that offers great privacy to enjoy family moments.

The house has heating by gas radiators, air conditioning, alarm system, fully equipped kitchen, manual and electric blinds and aluminum carpentry with double glass.

An exceptional complex: a dream home to enjoy with the whole family, ideal to reside all year round and enjoy the comfort offered by living in a residential and privileged area, with all the amenities at your fingertips.
