Lucas Fox presents Residencial Atenas, an exclusive luxury residential project designed to offer comfort and privacy. Located just 20 minutes from Madrid, this project offers 14 independent homes in a privileged natural setting in Las Rozas, one of the most sought-after and fastest-growing areas in the Community of Madrid.

Each property boasts a functional design that maximizes comfort. The homes feature spacious plots that include private gardens, sun terraces, and private pools, allowing residents to enjoy the outdoors from the comfort of their own homes. They also benefit from open, airy spaces that maximize space and large windows that allow for abundant natural light.

The Atenas Residential Complex stands out for its sustainable approach, with energy-self-sufficient and highly efficient homes. They are equipped with cutting-edge technologies, such as solar panels and geothermal systems for heating and cooling.

This project is the ideal option for those looking to live in a luxurious residential area, while still being close to Madrid's lively centre.
