OVERVIEW

3-bedroom family homes for sale in a new development in Els Poblets, Costa Blanca.

Villas Hugo is a residential development located in the municipality of Els Poblets, on the Costa Blanca.

It consists of four houses with three bedrooms and two bathrooms, featuring a Mediterranean style and a refined minimalist design that provides a lot of calm and light. The project includes plots of more than 540 m² and quality high-end materials and brands.

The one-storey layout has been designed for modern family life. The day area offers a living-dining room and a kitchen with open spaces and easy access to the garden. The night area is located in the opposite wing of the house, offering a quiet space for rest. A covered terrace in front of the living room protects from the sun in the summer months and creates a cozy corner in which to gather with family and friends by the garden and the pool.

The outdoor areas require very little maintenance, which makes these homes the ideal option both for those who want to enjoy a comfortable second home and for those who seek a permanent residence but do not have much time to dedicate to the garden.

Villas Hugo is an excellent purchase opportunity at an unbeatable price.
