OVERVIEW

A new development of Houses / Villas for sale in Santa Eulalia, Ibiza with a starting price of €1,950,000

Can Dalt is a private urbanization consisting of 11 single-family villas in Santa Eulalia del Río.

The exclusivity and innovation, in the design added to the panoramic views of the sea and the proximity to the city, distinguish Can Dalt, positioning it as one of the most representative new-build proposals in Ibiza.

All the homes enjoy bright interiors, gardens, terraces and a private pool, privilegedly located in a quiet place without traffic or noise, but at the same time in an urban environment with all the comforts that Santa Eulalia offers.

Luxury villas with unique character and style: architecture, distribution, finishes, landscape. A completely private and secure complex with all the amenities.
